

## PARTNER WITH US

### PRAY

Pray that students would see the beauty of Christ and experience the transforming power of the gospel as we seek to welcome them and open God's Word with them each week. Pray that students would come to know Jesus as their Savior and make him known as they return to their home country.

### VOLUNTEER

There are a variety of vital roles you can play in welcoming the nations on a campus near you. A few of the ways you can get involved are: participating in welcome events, hosting students in your home, and learning how you can share the good news of Jesus Christ with students.

### GIVE

Your financial support is essential to the work that we do, and we are grateful to the Lord for His provision through your partnership. We lean on the generosity of donors like you who join with us to welcome international students with the hospitality of Jesus.

## WHY RUF INTERNATIONAL?

Did you know that there are more than one million international students studying at universities in the US? Imagine the isolation of studying in a place where the language and culture are not your own. These students often feel lonely and are frequently overlooked, yet they will become the future business, political and cultural leaders in their countries. Scripture gives clear commands and examples of how God's people are to demonstrate hospitality to foreigners (Lev. 19:33-34). RUF International welcomes scholars from around the world and introduces them to the hope that is only found in Jesus Christ.

## THE HEART OF RUF INTERNATIONAL

### WELCOME

We welcome students and scholars from all nations in the name of Jesus through biblical hospitality. These internationals long to develop relationships with Americans and understand their host culture. To fulfill this longing, we host cultural and hospitality events which foster opportunities for closer relationships in American homes.

### EXPLORE

We explore the good news of Jesus Christ with internationals through on and off-campus investigative Bible studies. Every week, Christians from local churches partner with us by participating in a small group Bible discussion over a meal.

### EQUIP

When international students become followers of Christ, citizens of God's eternal kingdom, we equip them to be His servants and ambassadors in their home nations or wherever the Lord has appointed for them to serve.
